

International Petition to Save Historic Helsinki-Malmi Airport in Finland

Helsinki-Malmi Airport is a world-class historic and cultural treasure selected to the World Monuments Watch List of 100 Most Endangered Sites. It is a beautifully preserved 1930's international airport, of which very few have survived to present day in their original use. Such a proud, living monument of an independent nation's history deserves the respect of the present and future generations. It is all the more important to save the living historic aviation milieu of Helsinki-Malmi Airport as it is the backbone of general aviation and pilot training in Finland. The planned destruction of this unique historic environment to make room for a suburb cannot serve the greater good of society, especially with considerable areas of unused land elsewhere in the city and its surroundings. We, the undersigned, wish to see Helsinki-Malmi Airport preserved as an active airfield of great historic, architectural and functional value.

IF YOUR SIGNATURE IS IN THE PETITION (WEB OR PAPER) ALREADY, PLEASE DON'T SIGN!

This form is available for printing from <http://www.pelastamalmi.org/en/help/index.html>

Please mail the completed form to Friends of Malmi Airport Society (our address is under the logo). Thank you for your help in saving this world-class cultural treasure!
